

*Participants must make all arrangements for their own meals. Meals will **not** be arranged by the conference organizers.*

The standard time allotment for talks is 30 minutes (usually, but not always, 25 for talk + 5 for Q&A).
The following chart is a rough draft of the talk schedule. A precise time schedule will be available in late November.
All times shown are: Eastern Standard Time = UTC - 5:00.

Schedule	Friday 11 December	Saturday 12 December	Sunday 13 December	Monday 14 December	Tuesday 15 December	Wednesday 16 December	Thursday 17 December
10:00-12:00	Arrival & Registration	LHC	LIGO	Neutrinos	Astrophysics & Cosmology	AI & Machine Learning	Theory II
