Evaluation of Presentation

Style:

- Pace: just right, too fast, too slow
- Clarity of oral presentation:
  excellent, acceptable, needs improvement
- Clarity of written presentation (slides):
  excellent, acceptable, needs improvement
- Enthusiasm: excellent, acceptable, needs improvement
- Self-confidence of the speaker:
  excellent, acceptable, needs improvement

Content:

- Level of presentation: just right, too high, too low
- Amount of material: just right, too much, too little
- Organization of material: excellent, acceptable, needs improvement
- Level of knowledge of the speaker about the topic:
  excellent, acceptable, needs improvement
- Level of interest of the chosen topic:
  excellent, acceptable, not sufficiently interesting
- References: just right, too many, too few

Responses to questions from audience:

- excellent, acceptable, needs improvement

Title/Abstract:

- Clarity: excellent, acceptable, needs improvement
- Adequately reflect content: yes, no

Overall evaluation of the presentation:

- Excellent talk - let's have another!
- Acceptable talk - could use some improvement
- Hmm. . . needs considerable improvement
